

DONATIONS NEEDED

"Alone we can do so little; together we can do so much"

~Helen Keller

Old Schoolhouse Community Center (OSCC) is dedicated to continue making improvements to the Historic Hernando School.

These improvements require your generosity.

The members and friends of our organization have volunteered thousands of hours in labor and the team will continue to do so as new projects are funded.

Two major projects are already funded and in the process of being permitted. One is an LED Sign out front. The other is a pole barn in the back lot.

Future projects are listed on our website:

OSCCH.org/projects

There are three primary ways to contribute to the improvement and operations of the facility:

1. General Donation
2. Donate to help fund a specific project
3. Membership Dues (operational expenses)
4. Volunteer (3 hour shifts or special services)

We thank you in advance for your consideration. Please keep us in your prayers always!

Mission Statement

To enhance the quality of life in our Citrus County Community by providing safe, well-maintained, perpetually improving facility that serves as premier rental space for edifying and enriching meetings and events.

OUR STORY

Club Recovery of Citrus County, Inc. incorporated as a (member based) Florida not-for-profit corporation in January of 2012. The only mission was to provide a regular meeting place for 12 step groups in the city of Hernando, FL. Fast forward to 12 years and the organization needed a new location.

The **Historic Hernando School** has been in existence since the late 1800's in one form or another. The original wood schoolhouse was built by many of the Town Hernando's founding families. The Schoolhouse was improved over time by a coalition of private citizens, businesses, and non-profit organizations which was named the Hernando Heritage Council. The facility was mostly under-utilized and still had significant damage and disrepair.

In 2025 the Citrus County BOCC initiated a lease to Club Recovery of Citrus County, Inc. Now operating under the DBA of **Old Schoolhouse Community Center (OSCC)**, this non-profit organization immediately launched into a complete renovation of the inside of the school. A miraculous transformation occurred in less than two months thanks to scores of volunteers.

OSCC is currently hosting +36 twelve step meetings each week. OSCC is the home of **CrossRoad Bible Fellowship** and provides **Grace and Grub (Calvary Chapel)** space to feed the public every Wednesday. OSCC will continue to improve the Historic Hernando Schoolhouse property to better serve the community.
